Reese, Ghareeb capitalize on Taco Bell corporate-unit sale

HICKMINCHAM, A.

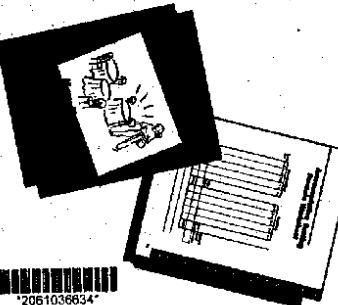

As part of the expansion program, Telenet will look to obtain additional locations. The company operates about 100 stores in 10 states, mostly in the West and Midwest. It has recently opened its first store in Venezuela, where it has a franchise. The unit has been open for about 50 percent of the year. Telenet's president, George W. Johnson, said, "Our goal is to expand to 200 units by 1985." The company also plans to enter Canada and the United Kingdom.

Richard Reese, left, and Donald Shireman have taken advantage of their unit's franchise rights to franchise units and have increased their total unit count by 25 percent.
